

Easter Sunday

The Bible says that early on the first day of the week, the women went to the tomb to finish preparing Jesus' body for burial. When the women got to the tomb, they discovered that the tomb was empty! The large boulder that covered the entrance to the tomb had been rolled away and Jesus was gone. An angel appeared to the women and told them they need not be afraid. Jesus had risen! The women went back to the other disciples to tell them all they had seen.

Scripture: Luke 24: 1-6

“Very early in the morning on the first day of week, the women went to the tomb, bringing the fragrant spices they had prepared. They found the stone rolled away from the tomb, but when they went in, they didn't find the body of the Lord Jesus. They didn't know what to make of this. Suddenly, two men were standing beside them in gleaming bright clothing. The women were frightened and bowed their faces toward the ground, but the men said to them, 'Why do you look for the living among the dead? He isn't here, but has been raised. He is ALIVE!' “

Activity: Secret Message

Need: Paper, white crayons, watercolor.

Use the white crayon to draw and write secret pictures and messages that have to do with Easter Sunday. Hand the paper to another member of your family and have them paint the paper with watercolor to reveal the secrets underneath! Ideas include the words “He is risen,” a hill with three crosses, an empty tomb, etc.

Prayer: God of life, we have experienced many different emotions this past week and today we are jumping up and down in joyful exuberance. Jesus is alive! What a surprise to remember that in the midst of dark times, you surprise us with new life. Thank you! Thank you! Thank you! In the name of the risen Jesus we pray. AMEN.

Food Idea: Enjoy the evening with whatever traditional meal your family makes for Easter dinner. If you don't have a tradition, put the eggs you just colored to good use and make some egg salad!
