At this meeting, the Board of Trustees will share details about the repairs and the companies we plan to hire to do the work. The Stewardship and Finance Committee will explain the funding scenarios we're exploring. We hope you'll attend. But if you can't, we'll share updates throughout this process.

**CHILDREN: Music, Faith & Fun** 2 and Under: The nursery will be open from 5:30-7 pm for our youngest disciples.

**Ages 3-3rd Grade:** God is at work in our lives and shows up in amazing ways! What are the fruits of the spirit, and how can we find them? Let's find out in these Wednesday night gatherings as we create, play, and learn together!

**YOUTH: The Gospel According to Mario** Grades 4th and Up are invited to the youth room as we learn more about Jesus from the world's favorite video creator. Play different Mario games as you grow in faith and have fun together!

### ADULTS:

**The Gospel According to Ted Lasso** This is a 5-week class exploring the spiritual and emotional truths of the hit show Ted Lasso. We will watch clips, discuss themes, and Biblical concepts to help us live out our faith The Lasso Way.

**The Enneagram Workshop -WAITLIST ONLY** Have you ever wondered why you do what you do or why others respond to things the way they do? The Enneagram offers strategies for relating to self, others, and the world. Each of the nine Enneagram types has a different way of thinking, feeling, and acting that arises from a deeper motivation or way of seeing the world. Learning about these patterns fosters compassion and understanding for self and others.

**Handbells 101** Come learn the ins and outs of ringing in a handbell ensemble in a low-stress, low-stakes environment! We will go over basic techniques and how to mark music to make it look less intimidating. Absolutely no expectation to play in worship, just a good time to learn!

**Pop-Up Workshops** Do you like a little variety? Or don't want to commit to an entire five weeks? This is the session for you! As we get closer to the starting date, we will post a focus for each of the five weeks!
