Enneagram Journey - The Enneagram is a powerful tool for self-discovery and spiritual transformation. While it describes nine different personalities, it is not just a personality typing system. This tool is meant to help you over a life-long journey. While self-discovery is important, it is not the Enneagram's final objective. The Enneagram's purpose is to help us uncover the traps that keep us from living fully and freely as our True Self so that we will use our unique, authentic gifts for the good of others and the world.

Denominational Dialogues - Come learn about our Christian siblings in these weekly dialogues with friends from other denominations.
September 10 Nondenominational with Pastor Rory Yates
September 17 Presbyterian with Rev. Lindy Volgado
September 24 Church of Jesus Christ of Latter-Day Saints with Dr. Rebecca Glazier
October 1 Church of Christ with Alex Wells
October 8 Roman Catholic with Father Patrick Friend
