## First Time Guest?

We're glad you are here! As a token of our appreciation, we'd like to make a donation of \$5 in your honor to one of our community partners. Scan the QR code to the left to select the organization you would like to donate to. Thank you for joining us today.

## From Fast to Feast Celebration

We did it! Thank you, FUMCLR, for fully funding our From Fast to Feast goals. We set out to raise \$45,000 to match \$26,000 in additional gifts to fund three important programs that support our unhoused neighbors. We will be sponsoring a tiny home at Providence Park, we sent \$10,115 to support Canvas Community's work, and we will launch our one-year pilot FUMCLR Job Training Program this Fall. Your generosity is faithful and gracious, and we are so grateful for your belief in the work we are doing in Downtown Little Rock - "being good neighbors to make Little Rock a place where all God's children THRIVE."

## Sustainability at Church Events: Volunteers Needed

FUMCLR Green Team is trying to help us live more into our call to care for God's gift of creation. We need help making our events and Sunday mornings more sustainable! We have a lot of reusable dishes, silverware, and cups/mugs, but we always seem to choose single-use items out of ease. We are making a list of "Event Sustainability Volunteers" who are willing to help run the dishwasher and put dishes away. With 3-4 people on dishwashing duty at events, clean up will be simple and easy! Let Rev. Haley know you are willing to help wash dishes at events by emailing her or signing up using the form below. An "all call" email will be sent before the events to see who can help. Help us reduce our waste and be better stewards of our resources.

## Community Cafe Back Up Volunteers

We are looking to expand our Community Cafe Back Up Volunteer list. We're looking for volunteers to run the cafe when our regular volunteers are out sick or on vacation. The Cafe is open Monday, Tuesday, and Wednesday from 1:00-3:00. Volunteers arrive at 12:15/12:30 to prepare the space and are finished at 3:15. Rev. Haley will give you a training on the day of, or you may visit during open hours for a hands-on training to be prepared for the call to fill in. Reach out to Rev. Haley for more details.

## FUMCLR Green Team

Are you passionate about sustainability? Join our new Green Team to help better merge our faith and creation care. The Green Team will help audit our practices, plan events, and teach the congregation. Some ideas include improving recycling practices, organizing downtown trash pickup, building a pollinator garden, reducing food waste, planning for play in nature (camping, hiking, outdoor worship), and more. Email Rev. Haley ([hjones@fumclr.org](mailto:hjones@fumclr.org)) to be added to the group email list.
